Survey on Updates to Climate Action Plan

In October, HKFI launched a member survey in connection with the ongoing development of Hong Kong's climate and sustainability agenda, including initiatives related to the Government's Climate Action Plan 2050, which outlines the city's pathway towards achieving carbon neutrality before 2050.

The survey aimed to assess Member Companies' readiness to provide relevant data and insights that could contribute to strengthening climate adaptation and resilience among SMEs and individuals. We sincerely thank our Member Companies for their positive response and valuable input.

Going forward, HKFI will continue engaging with policymakers and other stakeholders, sharing industry perspectives and expertise to support Hong Kong's transition towards a more sustainable and resilient future.

Huanggang Port Areas - public announcement and webpage

The Huanggang Port officially opened on 12 October 2026. HKFI welcomes the extension of Motor and Employees' Compensation (EC) insurance coverage to the Huanggang Port Hong Kong Port Area (HKPA), which came under HKSAR jurisdiction on 31 July 2026.

Under a legally binding market agreement between the HKSAR Government and all 45 Motor and EC insurers, relevant policies issued before 31 July 2026 will be extended to cover the HKPA at no additional cost to policyholders. Policies issued on or after that date will generally include the coverage automatically.

HKFI has helped coordinate signing of the market agreement and publicize the arrangement through a press release, announcements in the *Hong Kong Economic Journal* and *The Standard*, and a dedicated webpage listing the 45 participating insurers and other relevant information.

HKFI x IUMI Joint Seminar during the Hong Kong Maritime Week 2026

HKFI and the International Union of Marine Insurance (IUMI) will co-host the seminar "Enhancing Hong Kong's Competitiveness through Marine Insurance: Supporting International Shipping Centre Development under the National 15th Five-Year Plan" on 18 November 2026, to support the Hong Kong Maritime Week.

The programme will feature an address by Dr Moses Cheng, Chairman of the Hong Kong Maritime and Port Development Board, as well as discussions on global market trends and the opportunities and challenges facing Hong Kong's marine insurance market. Speakers will include the IUMI President and Secretary General, seasoned industry practitioners, representatives of the Insurance Authority, and members of the HKFI Marine Insurance Association. Please refer to Circular No. M3285 for details.

Sky50 - "The +1 Event"

On 8 October 2026, we hosted "The +1 Event"— an initiative in which Sky50 members invited a next-generation colleague, regardless of role or gender.

Ms Sally Wan, Chairman of HKFI, shared her inspiring personal leadership journey, while Ms Selina Lau, Chief Executive of HKFI, set the stage for interactive discussions.

Participants explored thought-provoking questions on leadership, talent, generational perspectives and the future of work. It was encouraging to see different generations exchange views, challenge assumptions, and learn from one another.

We look forward to growing the Sky50 Community and continuing these important conversations in the future.

Congratulations to all the winners of the Hong Kong Insurance Awards 2026!

Awards Presentation Ceremony cum Gala Dinner held on 29 October 2026 attracted over 570 participants.

A vote of thanks to all those joining the event, including honourable award presenters, regulators, esteemed judges, awardees, and industry leaders, for taking the time to celebrate the remarkable achievements of our industry. Highlights of this joyous occasion are available at the official website. Congratulations to all the awardees for their outstanding contributions and well-deserved recognition!
